II. Approach, Methodology and work plan for the assignment (30 Points)

3.2 The date, time and address of the proposal opening are:

Pre qualification cum Technical Bid – **3.30 PM on 15/12/2015**

Financial Bid – will be informed separately

3.3 The final short listing will be done by the high level committee after the presentation and evaluation of the bids. 60% marks will be the cut off level at this stage.

4.1 **Opening and Evaluation of Financial Proposals**

After the evaluation of quality is completed, the Client shall notify those Agency's whose proposals did not meet the minimum qualifying mark or were considered non-responsive to the Request For Proposal and Terms of conditions, indicating that their Financial Proposals will be returned unopened after completing the selection process. The department shall simultaneously notify the consultants who have attained more than the minimum technical score of 60% to witness the Financial bid opening indicating time and place of opening.

5.1 **Opening and Evaluation of Financial Proposals**

The Financial Proposal shall be opened publicly in the presence of the Agency's representatives who chose to attend. The name of the consultant and the proposed prices shall be read aloud and recorded when the Financial Proposals are opened. The Client shall prepare minutes of the public meeting.

5.2 The evaluation committee will determine whether the financial proposals are complete (i.e., whether they have costed all items of the corresponding technical proposals; if not, the client will cost them and add their cost to the initial price), correct any computational errors.. The financial bids will be opened and tabulated excluding taxes. However **Income tax** will be an inbuilt component of the fees. Of this the highest cost will be given a financial score of 100 and other proposals given financial scores that are inversely proportional to their prices. The formula for this will be as follows.

$$SF = 100 \times \frac{F}{FM}$$

where SF is the Financial score.

Fm is the highest price and F is the price of the proposal under consideration.

6.1 Final Evaluation

The final evaluation will be done by giving weight age for Technical and Financial proposals as **0.70 and 0.30**. The technical score and financial score will be given weight age as above and added together to get the final score of the agency. The agencies will be ranked with the agency getting the maximum marks as first.

7.1 Negotiations

Negotiations will be held at the address indicated in the Data Sheets. The aim is to reach an agreement on all points and sign a contract.

7.2 Negotiations will include a discussion of the technical proposal, the proposed methodology (work plan), staffing and any suggestions made by the firm to improve the Operation of the scheme. The client and the firm will then work out agreed final scheme, staffing and other expenses and agree upon a workable proposal and included for final implementation.

7.3 The financial negotiations will include a clarification (if any) of the Agency's tax liability in our State / Country (if any), and the manner in which it will be reflected in the contract, and will reflect the agreed technical modifications in the cost of the services. Unless there are exceptional reasons, the financial negotiations will involve neither the remuneration rates for staff (no breakdown of fees) nor other proposed unit rates. However the department can ask for a reduction of fees if it is felt high.

7.4 Having selected the Agency on the basis of, among other things, an evaluation of proposed key professional staff the department expects to negotiate a contract on the basis of the experts named in the Proposal. Before contract negotiations, the department will require assurances that the experts will be actually available.

8. Award of Contract

8.1 The contract will be awarded following negotiations with the successful firm. After negotiations are successfully completed, the contract will be signed in the standard form of contract.
